Our Goals

- Build a **state-of-the-art** venue for learning and celebration
- **Incorporate multimedia** to share exciting and informative learning opportunities for visitors of all ages
- Create a **clean, comfortable and dynamic environment** to encourage visitors' **return trips**

OFMPI Leadership & Plan

Our 10-member Board oversees the activities of four other committees, including Building/Construction, Fundraising, Events/Promotions, and Membership. Currently there are over 200 paid members of the organization. A \$3.5 million capital campaign is underway to raise up, rebuild, replace and build new structures with a projected timeline that begins with earth moving in Spring 2026 and ends with the re-erection of the exterior stockade wall in Fall 2027.
